Allergy Alert PLEASE NOTE: No peanuts or peanut products are permitted at the meet due to some swimmers being severely allergic.

NOTE: Swim PEI is piloting a Tiered swimming program to better prepare our younger swimmers for competitions. The highlight of these special events is they will no longer be DQ'd. Instead they will be given “oops” cards to explain the error they have made. If you have questions about this program please contact Mr. Bill.

This meet is the last chance for swimmers to qualify for East Coast Championships.

If you have any questions please contact Mr. Bill

All younger swimmers are encouraged to attend along with those needing to qualify for East Coasts.
