

# Memo

**To:** Bluephins Members  
**From:** Pauline Champion, Treasurer  
**CC:**  
**Date:** 16/05/2010  
**Re:** End of 2009-2010 Season

---

The end of the 2009-2010 season is here for the majority of the Bluephins. On behalf of the Board of Directors, I'd like to take this opportunity to thank the swimmers for their enormous energy and enthusiasm and the parents for their ongoing support of the athletes and the organization. We hope it has been a rewarding and enriching experience for all.

There are a couple of reminders for everyone before we part way for the summer months:

- 1) There is a brand new Payment Policy for the 2010-2011 season. This is posted on the Bluephins website under internal documents. Please take the time to read it carefully as there are significant changes from our current method(s) of payment. A brief explanation is found in my previous memo posted in March. However, please feel free to contact any of the Board of Directors for further explanation.
- 2) Thank you to all the parents that have kept up-to-date with your swimmer(s) accounts. At this time, we ask that all accounts with outstanding balances be brought into good standing by May 31<sup>st</sup>, 2010. This is vitally important so that Bluephins can settle its important accounts for the season (e.g., coaching staff, CARI Pool).

If you are unclear about your account balance, please check with our accounting technician, Jessie at Fitzpatrick and Company. Her contact info is
